

PROJECT NUMBER: 2025-1-LT01-KA220-SCH-000364676

# Shaping the Future of Early Childhood Education with AI

Digital ECEC 2 supports early childhood educators, school leaders, and parents in using Artificial Intelligence in safe, responsible, and child-centred ways.

The project develops practical training, interactive educational tools, and ethical guidelines to help early learning environments adapt confidently to digital transformation.
